

**Luther Area Public Library**  
**Damage to Library Materials**

A borrower is charged a fine for damaging library materials when we are reasonably certain that the damage was incurred while the material was in his or her possession. The fine is based on the degree of damage and the cost to repair it. If an item is damaged beyond repair we charge the title's replacement cost to the patron. If there is no retail price available, a default value is charged.

The current default values are:

1. Children's Book	\$15.00
2. Adult Book	\$25.00
3. Audio Book	\$30.00
4. DVD/Blu-ray	\$20.00
5. Reference Book	\$50.00

Payment of a damage charge does not convey the right of ownership for the damaged item to the person doing the damage. The damage charge is a monetary penalty for damaging or destroying public property. Overdue fines are over-ridden by the replacement cost and will be waived.

Adopted by the Luther Area Public Library board on: November 11, 2021
