Shank wanted it noted that the Chase credit card is only used to purchase new books and movies. Due to internal record-keeping problems at Chase, we were overcharged for some purchases. Shank listed the total amount paid under Expenditures – Books & Movies on the spreadsheet presented at this meeting but anticipates a credit on next month's Chase statement because Chase said they will credit our account. See note made by Treasurer on her report, on the amount of the credit from Chase.

## TRUSTEE COMMENTS

# **BUDGET AMENDMENTS**

None.

Director Shank wanted the following to be placed in the minutes. She made two mistakes on the 2022-2023 Budget Spreadsheet. In February, \$400.00 was mistakenly added to Line 13 Donations. In March, the \$400.00 was removed. But in March, the library received donations of \$5.65 and \$6.00 [=\$11.65]. So, that is why the March column, Line 13 Donations shows a negative \$388.35 [\$400.00 minus \$11.65]. Shank's second mistake was that she put the \$30.000.00 from the CDs as a Line 20 Programming/Misc. expense in the February Column, instead of in the March column. (Shank correction).
