- Looking for something to do? The Luther Library Boosters are looking for a few good men or women to help support the activities of the Library. Contact the Library if you are interested in joining!!
- **National Library Week** is April 5 – 8, where we celebrate the important role libraries and library workers play in transforming lives and strengthening communities. During the month of April, pop into the Library to see what is happening in honor of this special week. We have a few Library activities for patrons to participate in and our monthly **Take It and Make It** craft.
- Are you starting your Spring Cleaning? Turn in those lost or forgotten library materials. Late fees will be waived!!
- The Library has updated their computers and is looking to sell their old used computers for \$50 each. They are desktop computers with NO monitors, keyboards or mice. They do include Windows 10 and Microsoft Office. If interested contact the Library.
- **Mindfulness Kits** are available for checkout at the library!! In partnership with the District Health Dept. #10 and Lake County Communities That Care, we bring you Mindfulness Kits to provide educational, positive and fun activities for families, while remaining safe at home. Being mindful is what it sounds like. Taking time to focus on the present, being intentional and thoughtful about where you are and how you are feeling. Practicing Mindfulness as a family can help calm anxiety and build healthy coping skills. Families that practice mindfulness helps everyone take a moment to slow down, stay present, and come together.

As always, check out the Library's website, lutherlibrary.ploud.net, or the Library's Facebook page for more information on any of our events and available virtual events.
