Advanced Child Tax Credit Payments in 2021

Important changes to the Child Tax Credit will help many families get advanced payments of the credit starting this summer. The IRS will pay half the total credit amount in advance monthly payments beginning July 15, 2021. You will claim the other half when you file your 2021 income tax returns. These changes apply to tax year 2021 only. To see if you qualify and/or for more information, visit the IRS website at www.irs.gov/credits-deductions/advance-child-tax-credit-payments-in-2021.

Lake County Economic Development Alliance

The Lake County Economic Development Alliance continues to work with Connect Michigan to bring better broadband service to Lake County. One of the potential providers to our area is Great Lakes Energy (GLE) that is beginning to provide Truestream Service to its customers. It is important for GLE customers to register their interest with them by going online to their website or calling them at 888-485-2537. This does not commit you to their service and only indicates your interest if it becomes available in your area. For basic service of 100 mbps the cost is \$59.99/month; 200 mbps service is \$69.99/month.

Discounts for broadband service may become available for GLE or service by other providers in the near future. Check out **www.fcc.gov/broadbandbenefit** for a **Consumer FAQ** about this FCC program and other program resources.
